REMARKS

The specification has been amended to correct errors of a typographical and

grammatical nature. Due to the number of corrections thereto, applicants submit herewith a

Substitute Specification, along with a marked-up copy of the original specification for the

Examiner's convenience. The substitute specification includes the changes as shown in the

marked-up copy and includes no new matter. Therefore, entry of the Substitute Specification

is respectfully requested.

The abstract has also been amended to more clearly describe the features of the

present invention.

Also submitted herewith is a proposed amendment to the drawings, wherein Figs. 5,

19, 20, 21, 22, 24, 25, 27, 28, 30 and 31 have been amended at this time. Upon receipt of the

approval of the amendment to the drawings and receipt of a Notice of Allowance, the

proposed drawing corrections will be effected in accordance with present practice.

Entry of the preliminary amendments and examination of the application is

respectfully requested.
